

**Greetings Cornish Cousins**, I am looking forward to seeing you all at Fort Borst Park in Centralia Washington for our Annual Picnic & meeting which is scheduled for July 17, 2010 We will meet at 11am for a social hour and pot luck lunch followed by our business meeting. The business meeting will include the election of new officers to serve on the board. I am still trying to put together a speaker to follow the meeting and welcome any volunteers.

Please check out the website for a new item in the Country Store, **Cornish National Tartan Cloth** which can be used to make any number of items. This was purchased at the Celtic Faire in March.

Also due to popular demand a link was added to the website to access Café Press which has many items that you can purchase with our Logo. The items include everything from T Shirts & Sweatshirts and other clothing to drinking items, tote bags and mouse pads. There are 89 items available with our logo. I just ordered myself a t-shirt and sweatshirt and will have them within a week, plenty of time to wear them to the meeting in July. I also discovered when looking that you can search on Cornwall or Cornish and come up with everything Cornish including clothing with the name of your favorite parish or a picture of your favorite scenery. There are stickers, posters; note cards and postcards, there are over 500 items relating to Cornwall. Give it look, its fun. See you in July - Alene
